As part of Partners for Kids and Families' (PFKF) commitment to upholding our ethical and legal obligations and our standards for integrity as well as fostering a culture of compliance, we have a Corporate Compliance Plan.

You can review PFKF's Corporate Compliance Plan and its relevant policies on our agency's website at <https://pfkf.org/policies/>.

As a reminder, it is PFKF's expectation that any organization providing Medicaid funded services to youth and families who are enrolled with PFKF will comply, when and where required, with Section 6032 of the Deficit Reduction Act of 2005. Specifically, these providers will have policies and procedures in place to prevent, detect and address fraud, waste, and abuse.

If you have any questions, you can contact Sarah Grant, PFKF's Corporate Compliance Officer at (609) 518-6800 or sarah.grant@burlingtoncmo.org.

Thank you for commitment to serving Burlington County youth and families and for your ongoing partnership with PFKF.

Sincerely,

A handwritten signature in black ink that reads "Michael Dallahan". The signature is fluid and cursive, with the first name "Michael" and last name "Dallahan" clearly legible.
