

## WHO WE ARE:

Emerge Behavioral Health is a cutting-edge agency designed to empower children and families as they address emotional and behavioral difficulties. We are partnered with the best behavioral health professionals in New Jersey and together we are committed to delivering the highest quality behavioral health services.

Our Clinical Director is Dr. Susanna Carew. Dr. Carew is a licensed clinical psychologist with more than 25 years of experience as a mental health professional. This includes the past 10 years where she served as a Forensic Mental Health Clinician with the University Correctional Healthcare division of Rutgers University, providing psychological services to incarcerated youth in the New Jersey Juvenile Justice Commission.

Our Managing Director is Scott Carew. Mr. Carew has served as a municipal administrator/manager for several towns and cities over the past dozen years and is an

adjunct professor for Kean University's Public Administration Department.

## WHO WE SERVE:

Emerge Behavioral Health serves children and families in need throughout central and south Jersey.

## WHAT WE DO:

Emerge Behavioral Health provides state-funded, in-patient service through New Jersey's Children's System of Care (CSOC) as a certified IIC provider.

IIC, or Intensive In-Community therapy involves a behavioral health professional coming to your home to work with your child at a schedule that is convenient to you.

At Emerge Behavioral Health, we only recruit behavioral health professionals of the highest quality, with the ability and temperament to work with your child and you. A roster of our current partners can be found on our website.

The interventions that we specialize in, include (but are not limited to):

- Clinical consultation, evaluation, or assessment
- Counseling
- Individual and family therapy
- Anger management
- Parenting skill development
- Stress reduction
- Symptom reduction
- Problem solving skill development
- Adaptive and coping skills
- Psychoeducation regarding mental health, decision-making, and management of risk behaviors.
- Referral to other needed services and resources

#### HOW WE PARTNER:

State-funded IIC services are provided through CSOC's contracted system administrator; PerformCare. PerformCare is your first point of contact. We work with them and your county CMO to take care of all necessary arrangements and to make sure that you have the most beneficial experience possible.

In order to become part of the Emerge Behavioral Health family and to benefit from our IIC services, please contact PerformCare 24 hours a day at 877-652-7624. When you contact them, tell them that you want to work with Emerge Behavioral Health.

Let us help you achieve  
your goals!
