

# ABA Therapy

Individualized, Evidence-Based Support

Insurance & Medicaid Coverage with **Autism Diagnosis**

## How We Support:

- ➔ **Teach Skills:** Social, communication, play, and independence
- ➔ **Play-Based Teaching:** At home or daycare
- ➔ **Minimize Challenges:** Reduce problem behaviors by teaching appropriate alternatives
- ➔ **1:1 Support:** For children requiring a shadow
- ➔ **Collaborate:** Valued partnerships with parents, teachers, therapists, and all caregivers
- ➔ **Autism/ADHD Evaluations:** Typically scheduled within two weeks

*Behavior Analyst-Owned which means we prioritize personalized, compassionate care above all else. Let's work together to help your child thrive.*
